

# Zebra® EM 220™ Mobile Printer

## Pocket-Sized Printer for Mobile Payment and Document Printing

Zebra's ultra-small EM 220 mobile printer delivers convenient printing of 2-inch-wide receipts and other documents wherever you need it. The EM 220 combines optional Bluetooth® 2.0 wireless connectivity and magnetic card reader with straightforward operation for simple mobile printing and credit card transactions—making it easy to use and ideal for customer-facing environments.

### Key Features:

- **Size:** The EM 220 is durable, pocket-sized and lightweight enough to wear for extended use—without sacrificing performance.
- **Efficiency:** On-demand printing at the point of service can improve accuracy, workforce efficiency and customer satisfaction.
- **Ease of Use:** With one-touch media loading, one-touch integrated card reading, and only four buttons, the EM 220 requires minimal training.
- **Value:** The value-priced EM 220 is a high-quality, cost-competitive solution for low-volume, 2-inch-wide printing needs.
- **Integration:** The EM 220 is easy to integrate with existing systems. Its flexibility and ease of operation make it ideal for ticketing, event/concession receipt printing, meter reading, customs and road inspections, citations, field and service repairs, proof of delivery, parking lot claim checks and many other applications.

Available with a variety of accessories, and options including Bluetooth and magnetic card reader, the EM 220 mobile printer is a flexible solution for an array of needs. Backed by Zebra-brand reliability, service and support, the EM 220 printer provides high quality at a compelling price.
